

Quick Start Guide to: Building a Self Assessment

Step 1: Access the Self Assessments tool by clicking **Edit Course** in your D2L course navigation, then click **Self Assessments**.

Step 2: Build your Self Assessment questions in the **Question Library**. For help with building questions in the Question Library visit our Question Library Help page at: <http://help.d2l.arizona.edu/QL>.

Step 3: Click the **New Self Assessment** button to create a new Self Assessment. Enter a name for your Self Assessment and click **Save**.

Step 4: Click the **Add/Edit Questions** button, and then import your questions from the **Question Library**.

For help with steps 3 and 4 above visit our D2L help pages at:

Step 5: Provide your students a link to the Self Assessment. This can be done by adding the Self Assessment tool to your course navigation, or by adding a link to the Self Assessment in Content. Directions for adding the Self Assessment tool to your course navigation can be found on our help pages at: <http://help.d2l.arizona.edu/NAVMod>. For help adding a link to your survey in Content, visit our help page at:
